TEAM LEAD

Full job description

Security Systems Engineer * Supportive, inclusive and friendly environment * Flexibility to work from home occasionally * Grow and develop in a well-established and fast-paced business At Cigna, we pride ourselves on our people-centered company culture and our continuous improvement approach. It takes our people to achieve this and were looking for a self-motivated and up-and-coming Security Systems Engineer to join our IT Team. This is a permanent, full time role based in Wellington. Our role Reporting to our Engineering Team Lead, you will coordinate the technical security related activities required locally, support the alignment of our security requirements with Cignas Global Information Protection team, and monitor activities relating to the security audit/PCIDSS requirements. You will also work alongside and support the 1st line activities of the Technical Service Desk to ensure seamless service is provided to our end users. Our ideal candidate Our ideal candidate should be organized and methodical, with extremely high attention to details. Analytical and critical thinking abilities are essential, together with excellent communication skills, a customer-centric mindset and willingness to learn. A degree in Information Technology or a relevant discipline, knowledge of

PCIDSS and security audits, and experience in insurance industry are not essential, but would be an advantage. Why you'll love working for Cigna We're proud to be a multi-national Fortune 500 company where career opportunities are only limited by your desire to learn. Our recognition programmes reward your contributions and our flexible working options, generous leave benefits, and educational assistance support you to thrive and grow. We look after our teams holistic wellbeing through subsidised life and health insurance, group fitness classes and our Mental Health First Aid programme. We believe in bringing our whole selves to work so have a dress for your day dress code and wear our Rainbow Tick with pride. If we've described you and the opportunity you've been waiting for, apply now! Applications close Friday, 15 October 2021.

About Cigna Cigna Corporation exists to improve lives. We are a global health service company dedicated to improving the health, well-being and peace of mind of those we serve. Together, with colleagues around the world, we aspire to transform health services, making them more affordable and accessible to millions. Through our unmatched expertise, bold action, fresh ideas and an unwavering commitment to patient-centered care, we are a force of health services innovation. When you work with us, or one of our subsidiaries, you'll enjoy meaningful career experiences that enrich people's lives. What difference will you make?
